ASSEMBLY BILL

No. 1399

Introduced by Assembly Members Medina and V. Manuel Pérez

March 11, 2013

An act to add Section 26011.9 to the Public Resources Code, and to add Section 18410.3 to, and to add and repeal Sections 12283, 17053.9, and 23622.9 of, the Revenue and Taxation Code, relating to taxation, to take effect immediately, tax levy.

LEGISLATIVE COUNSEL'S DIGEST

AB 1399, as amended, Medina. Income taxation: insurance taxation: credits: California New Markets Tax Credit.

The Personal Income Tax Law and the Corporation Tax Law allow various credits against the taxes imposed by those laws. Existing law creates the California Competes Tax Credit Committee, which has specified duties in regard to tax credits for economic development. Existing law establishes the Governor's Office of Business and

Economic Development, also known as “GO-Biz,” to, among other duties, serve the Governor as the lead entity for economic strategy and the marketing of California on issues relating to business development, private sector investment, and economic growth.

Existing law imposes an annual tax on the gross premiums of an insurer, as defined, doing business in this state at specified rates.

This bill would allow a credit under the Personal Income Tax Law and the Corporation Tax Law, and a credit against the tax imposed on an insurer, in modified conformity with a federal New Markets Tax Credit, for taxable years beginning on or after January 1, 2015, and before January 1, 2027, in a specified amount for investments in low-income communities. The bill would limit the total annual amount of credit allowed pursuant to these provisions to an amount equal to any portion not granted under a specified sales and use tax exclusion, not to exceed \$40,000,000 per calendar year, and would limit the allocation of the credit to a cumulative total of no more than \$200,000,000, as provided. The bill would impose specified duties on the California Competes Tax Credit Committee and GO-Biz with regard to the application for, and allocation of, the credit. The bill would require GO-Biz to establish and impose reasonable fees upon entities that apply for the allocation of the credit, to be deposited in the California New Markets Tax Credit Fund established by the bill, and use the revenue, upon appropriation by the Legislature, to defray the cost of *applying to, and* administering the program, as specified. The bill would specify that the credit would not be allowed unless the Legislature makes an appropriation from the fund.

The bill would provide that its provisions are severable.

This bill would take effect immediately as a tax levy.

Vote: majority. Appropriation: no. Fiscal committee: yes.
State-mandated local program: no.

The people of the State of California do enact as follows:

- 1 SECTION 1. The Legislature finds and declares the following:
- 2 (a) While many areas of California have recovered from the
- 3 economic and community development impacts of the 2006
- 4 Financial Crisis and the 2010 global recession, Californians in a
- 5 number of communities and neighborhoods are still experiencing
- 6 their lingering effects. In some cases this has resulted in small and
- 7 medium businesses in low-income areas lacking sufficient access

1 to capital and technical assistance. Given that the state has many
2 needs and limited resources, moneys from the private sector are
3 necessary to fill this capital and investment gap.

4 (b) Initially enacted in 2000, the federal government established
5 the New Markets Tax Credit (NMTC) Program, which uses a
6 market-based approach for expanding capital and technical
7 assistance to businesses in lower income communities. The federal
8 program is jointly administered by the Community Development
9 Financial Institutions Fund (CDFI Fund) and the Internal Revenue
10 Service. The NMTC Program allocates federal tax incentives to
11 community development entities (CDE), which they then use to
12 attract private investors who contribute funds that can be used to
13 finance and invest in businesses and develop real estate in
14 low-income communities. Through the 2013–14 funding round,
15 the CDFI Fund had awarded approximately \$40,000,000,000 in
16 NMTC in 836 awards including \$3,000,000,000 in American
17 Recovery and Investment Act of 2009 awards and \$1,000,000,000
18 of special allocation authority to be used for the recovery and
19 redevelopment of the Gulf Opportunity Zone.

20 (c) The federal NMTC totals 39 percent of the original
21 investment amount in the CDE and is claimed over a period of
22 seven years (5 percent for each of the first three years, and 6
23 percent for each of the remaining four years). ~~The~~ Any investment
24 by ~~the~~ any taxpayer in the CDE redeemed before the end of the
25 seven-year period will be recaptured.

26 (d) Fourteen states in the United States have adopted state
27 programs using the NMTC model including Alabama, Florida,
28 Illinois, Nevada, and Oregon. While some of the programs
29 substantially mirror the federal program, others vary in both the
30 percentage of the credit and some of the policies that form the
31 foundation of the credit. One of the reasons cited for establishing
32 state-level programs is to make ~~their~~ a state more attractive to
33 CDEs, which results in increasing the amount of federal NMTCs
34 being utilized in ~~their~~ a state. Further, several studies, including a
35 January 1, 2011, case study by Pacific Community Ventures,
36 showed that for every dollar of forgone tax revenue, the federal
37 NMTC leverages \$12 to \$14 of private investment.

38 SEC. 2. Section 26011.9 is added to the Public Resources Code,
39 to read:

26011.9. The authority shall make a determination of the amount of the one hundred million dollars (\$100,000,000) in exclusions not granted in the assigned calendar year pursuant to Section 26011.8. An amount equal to that amount shall be granted in the subsequent calendar year through the California New Markets Tax Credit Program pursuant to Sections 12283, 17053.9, and 23622.9 of the Revenue and Taxation Code. This section shall not prevent a taxpayer granted an exclusion pursuant to Section 6010.8 of the Revenue and Taxation Code from applying for, and receiving a refund for, taxes paid under Part 1 (commencing with Section 6001) of Division 2 of the Revenue and Taxation Code.

SEC. 3. Section 12283 is added to the Revenue and Taxation Code, to read:

12283. (a) There is hereby created the California New Markets Tax Credit Program as provided in this section, Section 17053.9, and Section 23622.9. The purpose of this program is to stimulate private sector investment in lower income communities by providing a tax incentive to community and economic development entities that can be leveraged by the entity to attract private sector investment that in turn will be deployed by providing financing and technical assistance to small- and medium-size businesses and the development of commercial, industrial, and community development projects, including, but not limited to, facilities for nonprofit service organizations, light manufacturing, and mixed-use and transit-oriented development. The committee and GO-Biz shall administer this program as provided in this section, Section 17053.9, and Section 23622.9. *The Director of GO-Biz may delegate the administration of all or portions of the program within GO-Biz.*

(b) (1) For taxable years beginning on or after January 1, 2015, and before January 1, 2027, and subject to subdivision (h), there shall be allowed as a credit against the tax described in Sections 12201, 12204, 12206, and 12209, an amount determined in accordance with Section 45D of the Internal Revenue Code, ~~as amended by Public Law 111-5, Public Law 111-312, and Public Law 112-240,~~ as modified as set forth in this section.

3 ~~partnership, limited liability company, or “S” corporation may be~~
4 ~~allocated to the partners, members, managers, or shareholders of~~
